Ref.C.No.3468-L.29. South Kanara Collector's Office,

Mangalore, 31st May 1929.

From

G. W. Wells, Esquire, M.A., I.C.S.,

Collector of South Kanara.

To

The Secretary to the Board,

Land Revenue & Settlement,

M a d r a s.

Sir,

Revenue Records and Registration - Subdivisions - Notifications and notices under the Survey and Boundaries Act - time when issued - orders requested.

M. ********

In B.P.Mis.2843, dated 25th August 1928 the Board has permitted the practice existing in this District of checkmeasurement of subdivisions by Revenue Inspector before they are sanctioned, to continue. Under this modified procedure, the time when the notifications and notices under the Madras Survey and Boundaries Act are to be issued, will require change. Under the District subdivision circular the notification under section 6(1) has to be issued before the Revenue Inspector takes up the checkmeasurement work and the notices under sections 9(2) & 10(2) after the Revenue Inspector's checkmeasurement in the case of Survey of lands to be transferred from Poramboke to Ayan or Ayan to Poramboke and after orders are passed and the subdivisions sanctioned in the case of Survey as whole Survey fields of Government assessed waste lands portions of which are proposed for assignment The Divisional Officer, Puttur, has put forward some difficulties in the procedure adopted in the former case. He urges that in some cases subdivisions checkmeasured by the Revenue Inspector and in which notices under sections 9(2) & 10(2) have been issued may not be sanctioned at all, and in such cases the legalisation under the Survey and Boundaries Act becomes a mere farce. To obviate this difficulty, I propose issuing orders that notices

of subdivisions in all cases, including cases of Survey of lands to be transferred from Poramboke to Ayan and Ayan to Poramboke. This procedure is prescribed in the case of Land Acquisition subdivisions under B.S.O. 90 para 13 (iv) (b) (C) 69. as modified and printed in B.P.122 Press, dated 2nd November 1928.

2. Then the question arises as to the stage at which the notification under section 6(1) of the Act should be issued. The notification should be issued before the Revenue Inspector checkmeasures the subdivisions. To issue it after the subdivisions are sanctioned will be against the spirit of the Act, as the parties will not have a chance of ~~printing~~ out the boundaries and urging their case, before the Revenue Inspector's checkmeasurement. If it is issued before the checkmeasurement, then there will be cases where ultimately (i.e., after the notification is issued and after the subdivisions are measured), the subdivisions may not be sanctioned. In such cases action under the Survey and Boundaries Act would have been begun and then abruptly brought to a close. There is, however, nothing in the Act or the rules under the Act that the issue of notification under section 6(1) is to be necessarily followed by action under the further sections of the Act. I request orders whether the section 6(1) notification may be issued in all cases before the Revenue Inspector actually checkmeasures the subdivisions.

Your obedient servant,

For Collector.

RESOLUTION. No. 1754 dated 20-6- 1929

The Collector is informed that there is no objection to the proposal that the notification under Sec. 6 (1) should be issued in all cases before the Resurvey actually commences the subdivisions and that the notices under Sec. 9 (2) and 10 (2) after Conditional Sanction is accorded to the subdivisions or new survey fields.
